

## *Personal Safety Video Permission Slip*

I understand that my child will be viewing the personal safety videos appropriate to their grade level as part of the religious education curriculum. This is a **one-time permission** valid for their entire time in the religious education program at St. Francis of Assisi Parish.

I am also aware that, as a parent and the primary educator of my child(ren), I have the options to 1) view the video during class with my child(ren), 2) view the video at home with my child(ren), 3) preview the video prior to my child(ren) viewing it in school.

I am aware that I may change my mind regarding my child(ren) viewing the video and can rescind my permission, in writing, to the appropriate person. (S. Francis Church, 203 E. Main St., Teutopolis, IL 62467)

I give permission for my child(ren) to view the personal safety training videos that are part of the religious education curriculum in the St. Francis of Assisi Religious Education Program.

I do not give permission for my child(ren) to view the personal safety training videos that are part of the religious education curriculum in the St. Francis of Assisi Religious Education Program.
