# The SENIOR RETREAT

*It will be a BLAST!*

Dear Parents & Seniors,

We are finalizing plans for the Senior Retreat to be held on March 17-18. ALL SENIORS, whether they attend Wednesday night classes or not, are invited and encouraged to participate in the Senior Retreat. We have several adult volunteers and some recent high school and college graduates that will also participate as speakers, music leaders, etc. This year's theme is *Celebrating Relationships* and will focus on relationships in our lives. The Senior Retreat gives students the opportunity to deepen their faith through speakers, discussions, games, & more. In addition, it gives them time for reflection and fun away from their regular setting! And of course, there'll also be lots of great things to eat!

The retreat will begin at 10 a.m. on Saturday and end at 4 pm Sunday and will include Mass. We will be staying at Anthony Acres Resort and having the retreat sessions at the Pierson Building overlooking Lake Sara.

The cost for the retreat participants is just \$35.00 for the two days. We ask that you register by March 8, 2018 so we know how many rooms to reserve. Please return the form with the fee. You can register online, put them in an envelope marked Senior Retreat and drop it in the collection basket at the weekend masses, or you can mail the form back to the parish office at St. Francis Religious Ed, Senior Retreat, P.O. Box 730, Teutopolis, IL 62467

A letter with more information about what to bring, travel arrangements, etc. will be sent out to all who have registered. This truly is a great experience for those who attend! We look forward to seeing you all there!

Peace & All Things Good,  
Lisa Siemer
